On September 27, 2009, the Office of Chemical Safety and Pollution Prevention (OCSPP) renamed the Special Review and Reregistration Division to the Pesticide Re-Evaluation Division. Previous redelegations from the Assistant Administrator for OCSPP to the Office Director for the Office of Pesticides Programs to the Division Director level are administratively changed from the Special Review and Reregistration Division to the Pesticide Re-Evaluation Division. This change will remain in effect until each redelegation is superseded by a new redelegation.
